

Queen of Zero

Historic Charm Meets High Performance Building

Featuring

Zero VOC Hardwood Floor Finish

- ☀ Made by Professional Coatings, Inc., the UnoCoat Hardwax Uroil™ floor finish uses an elite line of natural materials without hazardous solvents, creating an approx. 0% VOC formulation.
- ☀ Built to a high-performance standard, the Queen of Zero has less air infiltration than a typical home, which means reducing airborne toxins is of paramount importance.
- ☀ UnoCoat is available in more than 30 stain colors. Brazilian Floors achieved the Queen's rich hue by combining two UnoCoat colors to expertly match the trim and baseboards.
